

## All Will Be Well: Good Advice from Winston Churchill. Richard Langworth

Strength is granted to us all when we are needed to serve great causes Sometimes when Fortune scowls most spitefully, she is preparing her most dazzling gifts We shall not be judged by the criticisms of our opponents but by the consequences of our acts In troubled times who better to turn to for advice and reassurance than the man who led Britain through her most difficult days - Winston Churchill. Collected here are the famous and inspiring words of the man voted the Greatest Briton and one of history's most remarkable leaders. By turns witty, dry, rousing and wise, this book of quotes is the perfect antidote to the stresses and strains of our times. As Churchill often reminded family and colleagues, in challenging times We must just KBO - Keep Buggering On.
