

Gems from Warren Buffett - Wit and Wisdom from 34 Years of Letters to Shareholders

A lifetime of Warren Buffett's wit & wisdom in just 122 pages (print version). This isn't another investment tutorial or biography on Warren Buffett. Instead, it's a collection of 240 of his wittiest and most insightful thoughts (gems), culled from 34 years of his letters to Berkshire Hathaway shareholders. These gems lighten spirits with their humor, enlighten minds with their wisdom, and provide an interesting view into one of America's most successful CEOs. This book captures the essence of Warren Buffett's iconic letters in an entertaining and digestible format. 20% of sales (not just profits) are donated to the GLIDE charity, as part of the agreement to use Warren Buffett's copyrighted content.
