

Jesus & Me

I have been mandated by God and encouraged by many to compile some of my life experiences. These stories include very personal details of my life. They are factual stories that display my walk with God. These stories range from funny to serious, detailed and lengthy, and some are short and sweet. Each carries a specific message relative to my journey. My hope is to impart the wisdom that I have learned through these experiences to help enlighten you on your journey. My purpose will be served if even one of my shared experiences enables you to trust and depend on Jesus.
