

## Everybody Moos At Cows (A Matthew McFarland Series Book 1)

Featured on the Rosie O'Donnell Show and in the New York Times, Everybody Moos At Cows is the humorous story of the Sunday Ride. Before video games, DVDs, and the internet, when families actually had fun spending time together. The ride was a staple of days gone by, when fun was often free or perhaps the cost of an ice cream cone. Meet Matthew McFarland. He would rather do anything than spend Sunday with his family on a country ride. After all, what nine year old would want to be seen mooing at cows and being chased by a pack of wild geese? Will Matthew be able to outsmart his father? Will Matthew actually have fun?
