

The Gift of Peace: Personal Reflections

In the final two months of his life, Cardinal Bernardin made it his mission to share his personal reflections and insights in this book. Using as a framework the previous three years, which included false accusation of sexual misconduct, diagnosis of cancer, and return of the cancer after 15 months of being in remission, Cardinal Bernardin tells his story openly and honestly. At the end of his life, the Cardinal was at peace. He accepted his peace as a gift from God, and through this book, he shares that gift with the world. July publication date. 2 cassettes.
