

Its Your Choice! Decisions That Will Change Your Life (Spiritual Dimensions)

Are you ready to have balance and harmony in your life? Its Your Choice! Decisions That Will Change Your Life is a work of personal discovery. Marjorie Mckinnon shows you how to create a perfect world through positive growth in what she calls the six dimensions: mental, emotional, physical, spiritual, social, and financial. She illustrates how all six-dimensions work together like an orchestra. Told in simple, practical language, McKinnon encourages the readers to have faith in themselves, the kind of faith needed to make healthy changes. In this book, you will: Discover courage and harness it to your advantage Recover the joy present in every moments Learn decision-making tools that affirm your values Find new outlets for your ambitions and talents Rededicate yourself to your true purpose in life Explore what success in life really means Acclaim for Its Your Choice! Its Your Choice! is bursting with the wisdom of the tried and true, akin to a good friends advice. The authors style is intimate but never imposing. She shares rather than lectures. She asks: how does one find a meaning in ones life and thus enhance it? And she answers with ladles of tips and anecdotes, real life stories and popular philosophy. --Sam Vaknin, PhD, author of Malignant Self-love: Narcissism Revisited.
